

Accra folding solar panel manufacturer

Overview

YNWA is a subsidiary of Yingli Solar, a global leader in solar panel manufacturing and renewable energy solutions. The company was established in 2013 and is based in Accra, Ghana. Since our inception in 2009, we've been committed to renewable energy solutions, providing high-quality solar equipment and services to thousands of homes and businesses. With a focus on clean technology, the company has installed 5MW of solar capacity and offers a range of products, including solar. Established since 2012, Milky Way Renewable Energy Limited is a Ghanaian leading renewable energy EPC (Engineering, procurement and construction) and project management company with strong foothold and track record in the West African Market. Built for a market growing 20%+ year on year, with the service depth local installers rarely match.
