

Area of solar panel factory

Overview

This map provides information about all of the solar photovoltaic (PV) manufacturing facilities in the United States and how they contribute to the solar supply chain.

Area of solar panel factory

[The name of the area leading to a building's entrance](#)

What are some names for the outside area of a building called, specifically the one leading to its entrance? I know the word "plaza" would come to mind but I'm thinking more of the

Across (covering all area/part of)

Cambridge Dictionary: across: from one side to the other of something with clear limits, such as an area of land, a road, or a river whereas and [4b'] default by pragmatics to the

single word requests

an area of land that is not built on, usually in a town or city, sometimes one that is available to buy or rent: Yes, it's two words, but it is the phrase I would expect to hear.

[What is that suburban commercial area off the highway called?](#)

What's pictured isn't a rest area, it's a commercial strip that also serves the local community. A highway rest area exclusively serves travelers, there being no local access to it.

[What do you call an outside area that is in the center of a mansion?](#)

I've seen a few mansions designed so that the house is a sort of square where the center part of the square shaped mansion/house contains an outside area.

single word requests

What is the name of the area that is between the nose and the upper lip, circled in figure 1 below? source of face image I have found that the area circled in figure 2, the small indentation under

[What term means "the area beyond the surrounding area"?](#)

I need to find a word which is a good match for the word "surrounds" (n., the surrounding land or territory), but which instead describes all of much the space not included in the "surrounds". To
