

# **Belize Containerized Energy Storage System Manufacturing Plant**

**51.2V  
200Ah/300Ah  
LiFePO4 battery**

## Overview

---

Emerging markets in Africa and Latin America are adopting mobile container solutions for rapid electrification, with typical payback periods of 3-5 years. The new Belize Energy Resilience and Sustainability Project will deploy state-of-the-art battery energy storage systems across four strategic locations in the country, marking a significant step forward in modernizing Belize's energy infrastructure and reducing its dependency on electricity. Intercontinental Shipping Containers is a leading manufacturer of shipping and storage containers in Belize designed to protect your valuables and secure your cargo. Imagine living in a country where 60% of. The project will be developed at BEL's property behind the BEL Substation on Pescador Drive, San Pedro, and is slated for completion by 2026. This project aims to strengthen the island's power supply, ensuring greater reliability and sustainability for the community of San Pedro. These panels are. Washington, D.
