### [Charging adapter won't come out , Tesla Motors Club](#)

So if I'm using the charging adapter to charge at a non Tesla Super Charger, like the normal EV charging stations at shopping centers, I come across a problem that when I'm done

### [Leaving car plugged in overnight at supercharger? , Tesla Motors Club](#)

My car is a 2014 S85 so supercharging isn't so "super" any more, it'll need a good 2 hours of charging to get from 5-10% to 100%. I'll still only do 95% at night and then put it up to 100% when I

### [San Jose, California EV Charging Stations , PlugShare](#)
