

Djibouti smart battery cabinet solar battery cabinet

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three white, multi-tiered battery cabinets on wheels. The cabinets are arranged in a row, with the 20 Kwh unit on the left, the 30 Kwh unit in the middle, and the 50 Kwh unit on the right. Each unit has a digital display and control panel on its front. The background shows a house and a clear sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right. The capacity labels '20 Kwh', '30 Kwh', and '50 Kwh' are in green circles above each unit. Two green boxes at the bottom contain the text 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
