I had always understood 'there's no such thing as a free lunch' as a expression to demonstrate the economics concept of opportunity cost - whereby even if the lunch is fully paid for, one loses the

### For free vs. free of charges

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that English

**grammaticality**

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

**etymology**

The fact that it was well-established long before OP's 1930s movies is attested by this sentence in the Transactions of the Annual Meeting from the South Carolina Bar Association, 1886 And to-day, "free

**"Free of" vs. "Free from"**

If so, my analysis amounts to a rule in search of actual usage-a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years
