

Heating and power dual-purpose solar container lithium battery energy storage cabinet

Overview

The all-in-one air-cooled ESS cabinet integrates long-life battery, efficient balancing BMS, high-performance PCS, active safety system, smart distribution and HVAC into one cabinet, enabling long-term operation with safety, stability and reliability. Namkoo NKB Series 215kwh commercial & industrial energy storage system adopts the all in one design concept. The system's capacity is up to. AZE's 42U Dual Bay Outdoor Lithium Battery and Solar Inverter Storage Cabinet System are designed to house a variety of lithium batteries, solar inverter, mttp controllers, they provide protection from vandalism, dust, rain, snow and dripping water.
