Overview

Homeowners insurance may cover solar panels under your policy's dwelling coverage if your panels are permanently attached to the roof and damaged due to certain covered perils, often excluding wind and hail. Ground-mounted solar panels may be covered under. Written by Dan Simms Dan Simms Dan has been a solar proponent for more than a decade now, and he has been researching and writing about solar and renewable energy for the past five. Paying to replace a damaged system could be a big financial burden for some homeowners. But as more homeowners make the switch to solar, questions about how these systems fit into existing insurance coverage are becoming more common.
