

# Household off-grid photovoltaic energy storage integrated machine

## Overview

---

The multi-energy battery integrated cabinet integrates the battery photovoltaic controller, grid connection and off-grid, EMS, power distribution, air conditioning and fire protection in one stop, enabling the energy storage system to independently adjust the energy storage.

## Household off-grid photovoltaic energy storage integrated machine

### Census Glossary

A household includes all the people who occupy a housing unit (such as a house or apartment) as their usual place of residence. A household includes the related family members and all the unrelated
