

Just drive box junction rules

Overview

Do not enter a box junction unless the exit road is clear 2. Only stop in the box if you're turning right and waiting for a gap in traffic 3. If the traffic lights go red before you turn, you're still allowed to make the turn 4. Blocking a box junction is illegal and could land. California's rules on parking commercial vehicles in residential areas vary by city, vehicle type, and situation - here's what drivers and residents need to know. Even where there are other traffic control measures in place, like traffic lights, you can sometimes find yourself unable to drive because of stationary vehicles lined up. Our guide aims to demystify box junctions, highlighting the essential guidelines for a stress-free experience. Think of it as a traffic calming superhero, battling congestion one.
