SOLAR , Division of Information Technology

SOLAR is Stony Brook University's primary administrative system used by faculty and staff to update personal information, view vacation/sick accruals, print class rosters, submit grades, and more.

Solar power

Solar power, also known as solar electricity, is the conversion of energy from sunlight into electricity, either directly using photovoltaics (PV) or indirectly using concentrated solar power.

Solar explained

People have used the sun's rays (solar radiation) for thousands of years for warmth and for drying food. Over time, we've developed technologies to capture solar energy for heat and to convert it into
