

Solar Photovoltaic Panel Service Price

Overview

Professional solar panel maintenance costs between \$390 and \$720 per year, with cleaning starting at \$200 and inspections running \$150 to \$300. Your system size and panel type determine maintenance frequency, with larger systems requiring more time and labor than smaller. Most homeowners and businesses hire a qualified technician for this job, and for good reason: a single visit that covers cleaning, inspection, and minor tune-ups typically runs anywhere from \$300, depending on system size, roof access, and any repairs uncovered. The actual price tag depends on your home's energy needs, roof characteristics, local incentives and other factors, all of which we'll break down in this guide. Most installers price systems according to their wattage. 5 kW system, but prices can vary from as little as \$7,700 for smaller solar systems to upward of \$34,700 for larger systems. Department of.
