

# Solar water pump is super large

**easy to install and use**

**World wide Products**

**faster charging and discharging**

**Multiple protection with alarm systems**

**Can save energy**

*the battery capacity can be increased freely and flexibly according to the situation of home use.*

*Rechargeable lithium batteries use safe LiFePO4*

## Overview

---

Solar pumps come in various sizes and types, from small 12V pumps for low gallons per minute requirements to larger systems running off 6-panel solar arrays for commercial agriculture.
