Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white, modular solid-state battery units on wheels. The units are arranged in three stacks of increasing height, labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. The background shows a house and a snowy mountain range. The text highlights features like 'Higer conversion efficiency', 'CAN/RS485/WIFI/4G Blue tooth communication', 'Thick shell, well protection for inside cells', and 'BMS customization supported'.

Solid-state batteries panama city

Solid Community Group

The Solid project aims to improve privacy and data ownership on the Web through a proposed set of conventions and tools for building decentralized social applications.
