

There are several specifications of photovoltaic bending panels

There are several specifications of photovoltaic bending panels

THERE , English meaning

We can use there at the start of a clause as a type of indefinite subject. This means that we can put the actual subject at the end of the clause and so give it emphasis or focus (underlined below):

[There are several specifications of photovoltaic bending panels](#)

The most important solar panel specifications include the short-circuit current, the open-circuit voltage, the output voltage, current, and rated power at 1,000 W/m² solar radiation, all

There Definition & Meaning , YourDictionary

Used to introduce a clause or sentence. There are numerous items. There must be another exit.

[THERE definition and meaning , Collins English Dictionary](#)

You use there in front of certain verbs when you are saying that something exists, develops, or can be seen. Whether the verb is singular or plural depends on the noun which follows the verb.

THERE Definition & Meaning , Dictionary

THERE definition: in or at that place (here). See examples of there used in a sentence.

There: Definition, Meaning, and Examples

There (interjection): Used for emphasis or reassurance. The word "there" can refer to a place, be used to introduce a sentence, or act as a filler when stating something exists.

[There: English Grammar and Usage Study Guide , Fiveable](#)

'There' is an adverb used to indicate a place, position, or location, either physically or abstractly. It can also serve as a pronoun in sentences, especially when introducing or identifying something.
