## Vienna High Temperature Solar System

---

### [Europe's largest PVT system heats Vienna's new Sport](#)

The new Sport Arena in Vienna is home to what is currently the largest PVT system in Europe, with 1,130 collectors from the German supplier Sunmaxx PVT. It

### [Mirror-focused solar cells generate electricity and high heat in one](#)

A set of peer-reviewed studies and federally funded research projects have shown that solar cells can double as curved mirrors, generating electricity and high-temperature heat from a single piece

### **Electricity and district heat generation**

The massive decrease in the cost of equipment and plants across Europe over the past few years has led to a significant boost in the construction of wind and solar power plants. Moreover, the EU

### [Vienna is taking its job as a climate leader seriously : NPR](#)

In addition to mandating solar panels and energy-efficient buildings, Vienna is now heating thousands of homes with geothermal energy instead of planet-heating natural gas. It's
