

What are the New Industrial and Commercial Energy Storage Equipment in Africa

What are the New Industrial and Commercial Energy Storage Equip

[Africa's Energy Storage Boom: From Grid-Scale Giants](#)

With South Africa's national storage procurement program launching, Egypt's Abydos solar-storage facility achieving grid connection, and

SAJ Shines at Solar Week Kenya: Commercial

Aligning with Kenya's ambitious "2040 Vision" of achieving 100GW renewable energy capacity, SAJ will leverage the CHS2 series as a springboard, combining

Is JavaScript's "new" keyword considered harmful?

It is NOT 'bad' to use the new keyword. But if you forget it, you will be calling the object constructor as a regular function. If your constructor doesn't check its execution context then it won't notice that 'this'

[Technological Advancements of Energy Storage Systems](#)

The paper critically evaluates various ESS technologies, such as lithium-ion batteries, pumped hydro storage, and flywheels, and assesses their economic, environmental, and technical feasibility in

When to use "new" and when not to, in C++?

You should use new when you wish an object to remain in existence until you delete it. If you do not use new then the object will be destroyed when it goes out of scope.

Battery storage: the tech that could revolutionise

Increasing investment in battery storage may be vital for African power systems to function as more solar and wind energy comes online.

[Push local Git repository to new remote including all branches and tags](#)

I have a local Git repository that I would like to push to a new remote repository (brand new repository set up on Beanstalk, if that matters). My local repository has a few branches and tags, and I

How does the new operator work in JavaScript?

The new operator uses the internal [] method, and it basically does the following: Initializes a new native object Sets the internal [] of this object, pointing to the Function prototype

[New site design and philosophy for Stack Overflow: Starting February](#)

Ah, but new experts will rise up and embrace the new, friendly Stack Overflow that they have always wanted. And maybe rediscover the same things the bitter, hateful old guard found.

Huawei: PV and energy storage solutions to power

Huawei introduces its C&I smart PV and battery energy storage solutions (BESS) to the African market with the future of energy in mind. From

GSL ENERGY Africa Energy Storage Project Case

As a global leader in the energy storage manufacturing sector, GSL ENERGY has been

How Socomec Powers Africa's Data Centers and

With decades of expertise in power switching, monitoring, energy storage, and uninterrupted power supply systems, Socomec provides innovative

deeply rooted in the African market for years, providing

[Spotlight on Africa: A continent of contrasts in energy](#)

In early 2025, AFSIA said around 18 GWh of storage projects were under development across Africa, spanning a range of systems, regions, and

[Difference between 'new operator' and 'operator new'?](#)

A new expression is the whole phrase that begins with new. So what do you call just the "new" part of it? If it's wrong to call that the new operator, then we should not call "sizeof" the sizeof

[Move the most recent commit \(s\) to a new branch with Git](#)

A graphical version manager where you would just add a tag for the new branch without dealing with what seems to me obscure and archaic syntax would be such a relief. My kingdom and

What is the 'new' keyword in JavaScript?

The new keyword in JavaScript can be quite confusing when it is first encountered, as people tend to think that JavaScript is not an object-oriented programming language. What is it? What problems

Africa's storage moment: why end-to-end

As Africa's renewable transition enters a new phase, battery storage is becoming the backbone of resilient power systems. End-to-end delivery

[JA Energy Storage expands Africa footprint with C&I BESS launch](#)

Kenya pilot projects deliver nearly 100% self-consumption and cut LCOE by about 50%. JA Energy Storage has strengthened its presence in Africa with the launch of its commercial and

[How do I push a new local branch to a remote Git repository and track](#)

How do I: Create a local branch from another branch (via git branch or git checkout -b). Push the local branch to the remote repository (i.e. publish), but make it trackable so that git pull and

[Unity: Conflict between new InputSystem and old EventSystem](#)

You probably tried to import a new input system package for multiple input devices compatibility. These type of errors are due to conflict between old and new input system packages
