What is considered a backup power supply for a base station

grammaticality

The theory: Considered + object Used when the subject should be just another name for something. Literally, that the object is the subject. He should be considered our leader since he

Securing Backup Power for Telecom Base Stations -

This article will explore in detail how to secure backup power for telecom base stations, discussing the components involved, advanced

grammar

There are no rules in English about the number of letters required to comprise a word. The letter I, when capitalised, is considered a word because it is sufficient to refer to the speaker.

phrase meaning

Is considered as is an alternative way of saying the same thing. I don't see any problem with your example about French as a language of love, although it would more usually be phrased as

[Are 'ass' and its derivations considered vulgar words?](#)

[Communication Base Station Backup Power Selection Guide](#)

UPS (uninterrupted power system): UPS system is a common choice of standby power supply for communication base stations, which can provide continuous power supply when the power

Using the word 'ass' to describe someone is considered vulgar in itself, but not severely so. Non-vulgar equivalents would be 'jerk', 'uncouth', etc. This is different from 'asshole', which

["it is often considered that" vs. "it's considered by many that"](#)

It is often considered that change is more beneficial to people than trying to avoid it and have everything remain the same. Do you think the advantages of change outweigh the

Telecom Battery Backup System , Sunwoda Energy

A telecom battery backup system is a comprehensive portfolio of energy storage batteries used as backup power for base stations to ensure a reliable and stable power supply.

vocabulary

The latter is considered to be far worse, so context is important, too. Most people would not use language that could be considered offensive by some in the workplace or in the company of

Why is the word 'is' not considered as a preposition?

is/are/was/were is the generic English "existence" verb that you find in almost every language. I suppose you could argue that existence itself is a kind of relationship, but if that were the case then all verbs

word choice

Both "considered to be" and "considered as" are incorrect. The words "as" or "to be", when used after the word "considered" are nearly always superfluous, and therefore unnecessary. The sentence in your

grammar

Consider the following sentence. We are happy to recommended that his son to be considered for the post. This is grammatically incorrect(why?). The notes I am reading says that the

A Beginner's Guide to Understanding Telecom Power

A UPS, or uninterruptible power supply, acts as a bridge between the primary power source and backup systems. It provides immediate power to

grammar

The "linking verb" here is IS, which forms / identifies the relationship between the solar panel and how it's rated / considered by pundits. The actual word considered (= thought to be) is
